DAUGHTERS OF THE AMERICAN COLONISTS Aug. 22-'47

Dear Lady; Will you be good enough to tell me,
if you know, WHO was the father ~~of the~~ West
(ANTHONY) who

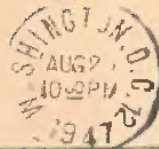

came to Va. 1622 ? I have done much research to
try to find this and cannot. The records state he
was the cousin of of the De La Warrs.

Perhaps you can give me some references.

The WEST Register by Mrs. Stone of this city
does not give it and talking to her, she frank-
ly admits she does not know. She thinks England is
the only place to find it. The Oct. Board will
be on the 17th - will you be here ?

Love and thanks- Sincerely, L.M. Sanford

Petition.

Nov. 21, 1677.

Petition of Henry West(2) a Planter of Virginia now in England in behalf of himself and brother to the King. William West was seduced to accept a Commission under the late Rebel Bacon against the Indians who had inhumanly murdered the petitioners parents about thirty years since- both brothers surrendered themselves to Col. Bridger on promise of pardon but were tryed by a Council of war & William was sentenced to death & Henry to be transported to England & to give bond to his Maj. to leave Virginia- Prays for leave to return to his family to Virginia & to be discharged of his bond and for pardon for his brother William who made his escape out of prison & is ready to take the oath of obedience & give security for his future good behaviour as many other more notorious offenders have been admitted to do. Indorsed "Read in Council Nov. 21, 1677."

(Colonial Papers, 1 p.)

(Virginia Magazine of History and Biography. Vol. 23) page 26)

By order of a court-martial held Jan 24, 1676-7, Henry West was found guilty of treason and rebellion and banished from Virginia for seven years. By a similar Court on Jan. 24, 1676-7, William West was sentenced to death. These Wests lived in Isle of Wight County and as a family of the name lived there later it is probable that once or both of the brothers left descendants in Virginia.

Feb. 22, 1677-8.

Petition of Henry West, of the Isle of Wight County in Virginia now in London, to the King- For a pass for leave to return home to his poor family in Virginia by a ship ready to sail within a very few days, else he will lose his passage this year: also that his bond not to return may be cancelled and his estate discharged from seizure without the payment of fees. Indorsed "Read in Council Feb. 22, 1677-8." Colonial Papers 1. p.)

Feb. 1677-8

Report of Thos. Lord Culpeper to the King on Petition of Henry West of Virginia Planter referred to him as Governor of that Colony by an Order in Council. That upon the best information he can obtain from Col. Moryson and others, inasmuch as the petitioner came voluntarily in to submit himself in the time of the late Rebellion He conceives him fit object for his Maj. compassionate pardon & to have liberty to return home to his Wife and Children in Virginia.

Indorsed "Read 22 of Feb'y 1677"-8.

Mr Shirley observes that "the Wests are remarkable, not so much for the antiquity of the family, as for the early period at which they attained the honor of peerage. Sir Thomas West, the first recorded ancestor, died in the seventeenth year of the reign of Edward II, having married the heiress of Cantilupe and thus became connected with Sussex. Few families of the time had broader lands" The name West is the most popular one of all the compass points which have also become name designations. Its popularity is easily shown in the many records of early England, for the name has a good representation in all of them, from all sides of England.

1649 - Patent to Randall Herle for 6000 a "yeon great newwattock River from Chingandee Creek mouth unto Arakoko Creek". The Transportation of Twelve persons were listed among whom were, Anthony West, his wife Ann, his son John and a daughter Katherine.

At the time of the Virginia muster taken Jan 23, 1624/5 - an Anthony West, who came over in the Tames in 1622, was then living on the Treasurer's land.

There is proof in colonial records that he either returned to England (the above Anthony), or whether he is the same one who came to the shore with his family under the Herle patent is unknown.

Anthony West died in 1652 and the widow Ann married Capt Stephen Charlton whom she survived.

The son John West married Matilda, daughter of Col. Edmund and Mary Scarborough.

He was one of the leading men of Accomack County during his life and

held about every position or title that could
be given him.

you will find a John Gregory of old Rappahannock made a deed April 16, 1666, and also made a will dated April 21, 1678, left all his estate to John Gregory, Jr. (I guess his son). From old Rappahannock Co. records John Gregory - wife Elizabeth - Vestryman of Sittingbourne Parish 1665, had two sons - John & Richard. The will of Richard Gregory of Essex was dated February 17, 1700, and speaks of land in King & Queen Co. Barbara Anne Fitzhugh was a daughter of Anne Barbara McCarthy and John Fitzhugh of Westmoreland Co., son of William Fitzhugh, the emigrant who married little Sara Tucker in 1674, daughter of John Tucker of Tucker Hill. William Fitzhugh's home was called "Bedford", in Westmoreland on the Potomac and Chotank Creek. Their son William built "Marmion". Barbara Anne McCarthy was a daughter of Capt. A137. Johnston - Seaton - Stahope-Walker-West. For the West fam. data, it is believed that this will satisfy you & the Editor will give the following data, which includes the names of West & that of George Seaton. Capt. John West, Gov. of Va. Colony, 1635-37, was the 12th child of Thomas West, 11th Lord De La Ware (Delaware) & Anne Knollys, his wife, dau. of Sir Francis Knollys. Capt. West was b. 12/4/1590, died in Va. 1659; he was Member of the Virginia Company of London, 1609, came to Va. abt. 1620, a Member of the Governor's Council 1630-1659; & in 1635, as senior member of the Council, he was prevailed upon to accept the office of Governor Harvey, the expelled. On Mar. 6, 1653, as "Capt. John West, Esquire, one of the Council of State" he patented 3000 acres of land on the N. E. side of York River & N. W. side of Mattapony. This was the famous home called "West Point" to which he moved. His wife was named Ann, last name unknown. Capt. West was dead bef. March 1959/60, when the Virginia Assembly at that session enacted the following order: "Whereas the many important favors & services rendered to the country of Va. by the Noble fam. of West, predecessors to Mr. John West, THEIR NOW ONLY SURVIVOR, it is ordered that the levies (taxes) of the said Master West & his fam. be remitted & that he be exempted from payment thereof during life.

The above "Master West" was Colonel John (2) West who lived in New Kent as West Point fell in that county when it was formed in 1654. He was b. in 1632, son of the above mentioned Capt. John (1) West, was the 1st child born of English parents on York River. He married Unity Croshaw, dau. of Ma. Joseph Croshaw of York, Member of the Va. House of Burgesses, 1659-60. This Colonel John (2) West was mentioned in records as Capt. in 1662, Major in 1667, Lt. Col. in 1673. He was taken prisoner in Bacon's Rebellion as he was active on the side of Governor Berkeley. (Note by Editor: The numbers betw. the given name of the West fam., & the surname, such as, John (6) West, would mean that John (6) West was the 6th generation of the West line in America; of course the numbers in parenthesis preceding the name would mean that the children were being numbered, but not always in the order of birth).—Editor.
